WHAT IS YOUR CHAMBER?

Your Chamber of Commerce is a voluntary partnership of business and professional people working together to build a healthy economy and to improve the quality of life in Wabash.

As your chamber works to accomplish these goals, it wears many hats: government relations specialist; human resources advisor; and public relations practitioner.

Simply stated, your chamber is business and professional people working together to make Wabash a better place for everyone to live and work.

WHO LEADS YOUR CHAMBER?

Your Chamber of Commerce is run by its members. An elected Board of Directors determines policies and sets goals. The Board Chair presides over Board meetings. Your Chamber's day-to-day operations are handled by the President, who is a paid employee.
