LEADERSHIP NOVATO

Shaping Tomorrow.

Lead on. Lead Strong.

CLASS OF 2019

Established in 1990, Leadership Novato is a comprehensive community building program designed to identify, develop and empower future leaders.

Over the last twenty-seven years, Leadership Novato has developed a cadre of community leaders. In 1990, the Novato Chamber of Commerce (NCOC) established the *Leadership Novato* (LN) program to encourage community advocacy and generate candidates for civic participation. Leadership Novato's success is attributed to its comprehensive program and dedication to engaging its students and the local community.

Leadership Novato's legendary comprehensive program proudly partners with the *City of Novato*, the *Novato Unified School District*, the *Novato Sanitary District*, the *North Marin Water District* and the *Novato Fire Protection District*. By providing students with knowledge and perspectives from the point of view of the special districts, historical families, business owners, nonprofits and other community organizations students begin to understand how their community has come to be. Students also begin to formulate opinions, ideas and learn the skills necessary to implement their ideas in their daily lives.

Along with knowledge, students gain valuable leadership skills. Through a 'strengths-based' training and by working with their teams on a group project, students learn critical leadership skills. By establishing teams, Leadership Novato imparts valuable wisdom on team dynamics, chain of command, delegation, communication, creativity and most importantly, cooperation.

Congratulations on taking the first step to making your community a better place. By filling out this application, you begin the fulfilling journey that is *Leadership Novato*. You and your class will learn valuable skills and discuss relevant issues in today's community. On behalf of the entire Novato Chamber of Commerce, welcome aboard.
