Take a day to reconnect with Noblesville area business leaders in support of your community, your chamber, and your company. Our golf outing planning team is “brewing up” a great day of B2B networking, challenging (friendly competition) golf, and savory sampling of Indiana craft beers.

As our largest fundraising event of the year, your participation is the main ingredient in our own “brew of success.” The day’s proceeds will support, in part, the Chamber’s

SMALL BUSINESS SUPPORT SERVICES

Purgatory Golf Club is a nationally recognized jewel. It is ranked in America’s 100 Greatest Public Courses, America’s Top 50 Courses for Women, and #1 Course in Indiana.

Purgatory is built on 218 acres and can be played from 4,600 to 7,700 yards. Over 125 bunkers, filled with white sand crushed limestone, which is a rare bunker material in Indiana, set the stage for stunning scenery and challenging play. You’ll see the most striking hole is “Hell’s Half Acre” – the 17th hole –where a par three is surrounded by two acres of bunkers, making the green an island in a sea of sand. Purgatory’s awards and recognition are well earned. Join us to experience some of Noblesville’s best golf...and you will see why!
