LET’S GO SOMEWHERE…
TOGETHER

Since 1939, Oregon Trucking Associations (OTA) has been dedicated to advocating, educating, and promoting the trucking industry to help our members succeed. Our values include safety, service, integrity, and loyalty.

We work with small and large common and private carriers as well as allied partners that provide products and services to the trucking industry. Whether you have a question about trucking or are just getting started, OTA is your source.

Together we can make a difference!

OREGON TRUCKING ASSOCIATIONS

FIVE CORE FUNCTIONS
• Education
• Advocacy
• Networking
• Member Benefits
• Industry Image

ANNUAL EVENTS
• Safety Conference
• Maintenance Fair
• SuperTech Competition
• Truck Driving Championship
• Truck PAC Golf Tournament
• Leadership Convention
• Industry Mixers
Why you should join OTA:

- **Legislative representation** on local, state, and national levels
- **Expert industry knowledge and consultation** on safety & compliance, technology & maintenance, regulation, government affairs, annual over-dimensional permits, and more
- **Opportunities to get involved** in committees, councils, and other groups
- **Connections** with other industry members and leaders within our broad network
- **News updates** on trucking-related topics through printed and digital communication platforms
- **Discounts** on auditing services, products and services through benefit partners, and over 100 educational opportunities annually, including events, training classes, and exclusive programs

To learn more about the OTA, visit: [www.ortrucking.org](http://www.ortrucking.org)

Wherever you’re going, we can help you get there!
