

The Bruce Newbrough Memorial Scholarship Application

Sponsored by ARDEX Americas and nora systems, Inc.

The Bruce Newbrough Memorial Scholarship was established to provide educational opportunities to Floor Covering Installation Managers who have demonstrated exceptional commitment to and excellence in proper substrate preparation and installation of floor covering. Bruce Newbrough, as ARDEX Director of Technical Services and later Applications Development, tirelessly utilized every opportunity to further his vision and passion which was industry education and training on proper substrate preparation, all for the purpose of achieving successful installations. This is the foundation on which FCICA, the Flooring Contractors Association was built, and the reason that Bruce was a dedicated ambassador of this organization.
