4. Safety Resources
 - a. The Committee has had discussions about developing a library of safety resources (ie. Safety standards and training aids that require money to obtain), that could be put together and available for check out or review at AGC. We are also in the need of a list of Web Sites that people are using to obtain safety information that would be valuable to others in our chapter. If you have one or many, please email to pmoorman@lydig.com. We will make these links available on the NWAGC website.
5. Training
 - a. Safety Fest Is Coming – Free Training
 - i. Safety Fest is an affordable (free) safety and health training event for the education of the surrounding region's front line workers, supervisors, and managers of all levels. Safety Fest is an effort to increase awareness of and reduce the hazards presently causing injuries, fatalities, and illness.
 - b. Safety Fest – 2016
 - i. Post Falls – February 17-19 – Registration open in January.
