

Benefits of Membership

cochawaii.org

The Chamber of Commerce Hawaii is a statewide, non-profit organization whose mission is to serve as the “Voice of Business” in Hawaii. We work on behalf of our members to advance the state’s economy and help businesses thrive locally, nationally and globally.

Businesses become members for a variety of reasons, but primarily to build a better business climate in Hawaii and benefit from the resources we provide with our legislative advocacy work, trainings, business building and networking opportunities.
