

Rome Area Chamber of Commerce

Fee Schedule effective June 1, 2022- May 31, 2023

Compute the total due for your Schedule number. Enter the amount in the box at Step 5.

Schedule 1 Commercial, Manufacturing, Service, Retail, Agricultural:

\$280.61 is the basic investment and includes the owner/manager and 1 full-time employee. If you employ 3-200 full-time equivalent employees, it's an additional \$9.69 per employee. If you have more than 200 employees, add \$7.58 per employee up to 500. Over 500, add \$5.74 per employee. (One full-time equivalent employee = 40 hours of part-time work).

Number of full-time employees including yourself: ____

Number of part-time employees: ____

Number of full-time equivalent (FTE) employees: ____

If you have part-time employees, you need to determine your number of FTE employees in order to compute your membership. For example, if you have 10 full-time and 12 part-time, the standard rule is 2 part-time equals one full-time equivalent. In this example, 12 part-time would equate to 6 full-time equivalents added to the 10 full-time equals a total of 16 full-time equivalent. In Schedule 1, your membership is to be computed in accordance with your total full-time equivalent employees. The first two are included in the \$280.61; then multiply \$9.69 times 14 and add it to the \$280.61.
