If you have more than 200 employees, add \$7.58 per employee up to 500. Over 500, add \$6.00 per employee. (One full-time equivalent employee = 40 hours of part-time work).

In this example, 12 part-time would equate to 6 full-time equivalents added to the 10 full-time equals a total of 16 full-time equivalent. In Schedule 1, your membership is to be computed in accordance with your total full-time equivalent employees. The first two are included in the \$290.00; then multiply \$10.00 times 14 and add it to the \$290.00.
