Non-Profit organizations with a paid executive are not eligible for the discounted rate.

Sole Proprietorships count as a business with 1 employee and would be \$200.00. This includes a person that wants to be listed under their own name for an existing business (i.e., the business 'Happy Llama Shearing' is already a member and the owner is the representative, but the head shearer wants to be a member with full listing as well. She can take out her own membership as an individual with a business listing that would follow her if she left 'Happy Llama Shearing' and went to another business.).
