*I am honored to be the Executive Director and excited to be supporting our local business community. I love to create opportunities for the Rohnert Park chamber members in the role as the Director. The Chamber is growing members and working closely with the City of Rohnert Park on issues of economic development. I have been involved in this community in many ways - local schools, sports leagues, and community organizations such as Girl Scouts. I have the ability to build collaborative relationships and truly love Rohnert Park. Would love to hear your ideas on how the Chamber can support your business.*

Lisa Orloff, Executive Director  
Rohnert Park Chamber of Commerce

**Take pride in being part of the largest local business community. Share in the collective voice that supports growth and raises awareness of fellow Chamber Members. Let us know about your business and how we can help you spread information to others.**

*As a business owner, I am a strong supporter of the Rohnert Park Chamber of Commerce. I have been a member of the Chamber since I started my first business in Rohnert Park back in 2000. In 2015, I opened an event planning company called Jelsie Events, one of the first things I did was join the Chamber and began attending the hosted*

*networking events. I am aware of the value in not only attending the Chamber's networking events but, also in volunteering within the Chamber. I am currently the chair of the Women in Business Committee and our committee has created a new program*

*which supports growth and education. I have continuously witnessed the value of the Chamber for business owners, not only in the exchange of business but also in developing relationships. I encourage all business owners to join the Rohnert Park Chamber of Commerce and participate in all ways possible.*
