

Membership Fee Schedule for Producer Members 2024

The membership fee for Producer members is based on the number of Concrete plants you have and the total number of axles on your mixer truck fleet. Please use this chart to determine your membership fee payable.

Each Producer Member must select one or more of the following Plant types that you have:	How many do you have of each?
Fixed Plants	_____ x \$594.00
Portable Plants	_____ x \$594.00
Volumetric Mixers	_____ x \$594.00
Each Producer Member must indicate the number of axles in your fleet:	
Axles (total number of mixer truck axles in fleet)	_____ x \$48.00

Each plant is \$594.00 Each axle is \$47.00

An example:

Blank Concrete Company has 1 fixed plant and 1 portable plant. They have 10 mixer trucks and each truck has 3 axles.

The calculations for membership are as follows:

Plants: 2 @ 594.00 = \$1188.00

Axles: 30 @ 48 = \$1440.00

(10 trucks X 3 axles)

Total Membership fees payable = \$2628.00 + GST
