

President, International Falls Area Chamber of Commerce

The International Falls Area Chamber of Commerce Board of Directors is seeking a candidate to fill the position of President, effective immediately. The potential candidate must possess excellent written and verbal communication skills; prior experience in the areas of marketing, project management, public relations, and skills in technical office procedures are preferred. Willingness to actively network with the Chamber membership, as well as local, state and national officials is a must. The International Falls Chamber of Commerce provides a broad range of membership services, including support for tourism, community enhancement and economic development. As President, the successful candidate will provide leadership in these areas and serve as an advocate for Chamber policy within the community.

Please submit a letter of application and résumé by Friday, March 2:
