# FAIRBANKS NORTH STAR BOROUGH BALLOT

**PROPOSITION 1:** \$36,615,000 General Obligation Bonds for Capital Improvements. \$34.80 per \$100,000 assessed property value to cover the cost of specific capital improvement projects.

- a **YES** vote allows bonds to be issued and property taxes to be increased to cover the costs of these projects.
- A **NO** vote will not allow bonds to be issued for these projects.

**PROPOSITION 2:** Shall Ordinance 2018-22 be ratified? Ordinance 2018-22 exempts from the tax revenue cap the amounts transferred or appropriated each fiscal year to the facilities maintenance reserve fund, not to exceed an increase of 1 mill to the rate of property tax levy.

- a **YES** vote will allow a property tax increase of up to \$100 per \$100,000 assessed property value. These revenues would go into the facilities maintenance reserve fund.
- a **NO** vote will NOT allow a property tax increase.

**PROPOSITION 3:** Ordinance Establishing Maximum Allowable Tax Revenues.

**Summary:** this is a reauthorization of the current revenue cap. The borough will be able to levy or impose only the same amount of taxes for one fiscal year as the borough levied or imposed for the preceding year, except that the borough can increase the amount of taxes levied or imposed (a) to adjust for inflation; (b) to take into account new buildings and land coming onto the tax rolls; (c) make new payments on bonds; (d) pay for services approved by voters; (e) pay for new legal judgments entered against the borough; and to pay for expenses in emergencies.

- a **YES** vote keeps the current ordinance in place, prohibits the Borough Assembly from making changes to this ordinance, and prohibits the Borough Assembly to increase tax revenue.
- a **NO** vote keeps the current ordinance in place, allows the Borough Assembly to make changes to this ordinance, and allows the Borough Assembly to increase tax revenue.

**PROPOSITION 4:** Ordinance Enacting the Home Heating Reclamation Act

- a **YES** vote revokes the Borough's authority to implement air quality programs.
- a **NO** vote keeps the Borough's authority in tact to implement air quality programs.
