Re: Support HJR10

Dear Co-Chair Lincoln, Co-Chair Tarr, and members of the House Resources Committee,

The Greater Fairbanks Chamber of Commerce supports projects that enhance quality of life and grow the economy of Interior Alaska. We believe that the redundancy created by completing the high-voltage transmission bus loop would benefit our region in the event of a disruption to the existing infrastructure.

We join the call for members of the Alaska delegation in Congress to pursue the development of a high-voltage electrical line in the interior of Alaska as currently described in House Joint Resolution 10.

The Greater Fairbanks Chamber of Commerce represents over 700 business members throughout Interior Alaska. We work to advocate for the best business environment, promote economic strength and growth for Interior Alaska, and to develop the resources and networks enterprising people use to share knowledge.

Respectfully,
