

HOW TO ACCEPT YANKTON CHAMBER DOLLARS

★ Place Copy At Register For Referral

Chamber Dollars are actual checks.

They have an account, check, and routing number.

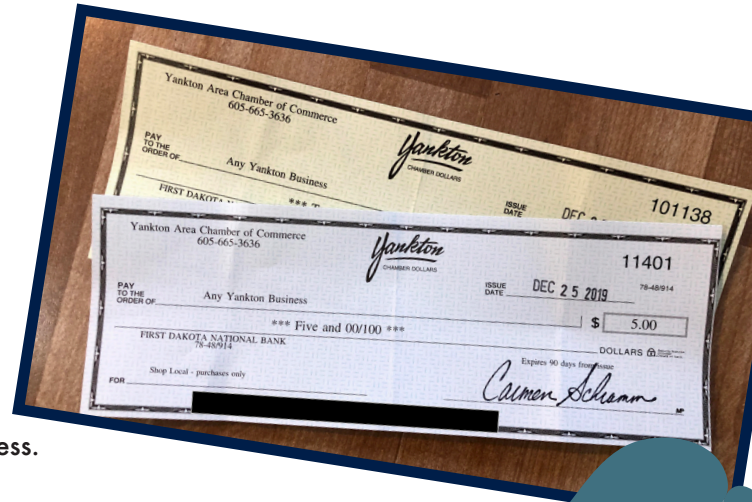

Standard denominations are \$5, \$10, and \$20.

Where/How Chamber Dollars Can Be Spent

They can only be used on goods and services at any Yankton business.

Special Note for Financial Institutions:

Chamber Dollars may NOT be deposited into bank accounts or cashed.

Businesses, When You Get a Chamber Dollar Check:

1. Treat it as you would a normal check. Endorse the back, put it on a deposit slip as "Yankton Chamber Dollar", and turn it into your bank. All Yankton financial institutions are aware of these checks.
2. Customers need to use at least 75% of the Chamber Dollar check in order for change to be given back to the customer.
4. Check the issue date. Each Chamber Dollar check has a 90 day expiration date for redeeming. Do not accept if it is beyond 90 days. Instruct the consumer to contact the Yankton Chamber office to see if there are any options for reissuing the check.
