

Participation in the Halloween Window Painting in Glen Ellyn

Visit Our Website to Register
www.GlenEllynChamber.com/Halloween

This is on a first come, first serve basis on available storefronts. Window assignments are randomly selected from businesses located downtown Glen Ellyn, Roosevelt Road and at the Five Corners. Window assignments will be announced early October.

If desired, a downtown vacant storefront window can be available at \$10 per window. This money goes towards a professional cleaning service to clean the window after Halloween.

-- HALLOWEEN WINDOW PAINTING RULES 2017 --

Please share these rules with ALL of your adult supervisors and scouts.

- 1. Window painting date: Confirm date with Store Manager.** Do not paint until you have heard back from the store front with a confirmed date & time. Many stores have certain rules and limitations they want you to follow. Choose a date to paint between Monday, October 9th through Friday, October 27th.
- 2. If you are sharing a storefront with another troop, please divide the windows equally** between the number of troops. If you have questions, call the Chamber and we will help you confirm.
- 3. Adequate adult supervision is required per group.** Please be an active participant on-site, monitoring the children painting, the clean-up process and the noise level of your group. Please be very careful of any containers, planters, landscaping, signs or merchandise on display outside of the store. Be respectful to the store owners and customers inside.
- 4. Use only window paints, like the product distributed through *Paul's Shoe Service*.** Paul's Shoes will donate 2 sticks per troop. Additional window paint sticks may be purchased. The storefronts clean their own windows and anything other than specific window paint is not allowed.
- 5. Bring your own water, towels, sponges, step stools, etc.** Please be sure to CLEAN UP COMPLETELY after painting, paying special attention to cleaning any dripped paint on caulk, grout, bricks, cement or wood. The paint comes with applicators, so brushes are not be required. For easy clean up bring plastic drop cloths & painter's tape to protect the area below the window.
- 6. When painting:** Do not cover large sections of any window with solid paint - leave some space unpainted so you can see through the store. DO NOT PAINT OVER OWNER WINDOW SIGNS. Please leave room to see in the store too.
- 7. Please use words and graphics that are appropriate for public and family viewing.** You are welcome to paint your group's signature & team credit into a corner of your design.
- 8. Remember to say THANK YOU merchant or store owner for allowing your group to paint!** Take a picture of the Troop and window you have decorated and email the Chamber!

If you have any questions call the Chamber office at 630-469-090 or email admin@glenellynchamber.com

Thank you for insuring these rules are followed so we can continue this annual event!
