

The Membership Committee Ambassador Program

An Ambassador is a high-energy, knowledgeable Member who volunteers time to deliver outstanding service to other Members. As liaisons between Members and the Chamber, Ambassadors contact our Members throughout the year, providing those Members with an additional touch-point with the organization.

1. Ambassadors responsibilities

- Attend luncheons and meet people
- Tell people about the chamber
- Share your personal experiences and success stories with other members
- Introduce new members to other members and board members
- Attend New Member Orientation meetings
- Organize and attend ribbon cutting ceremonies for our members
- Recruit other Ambassadors

2. Ambassador Outreach Program

- Contact members to thank them for attending events
- Meet face to face with members who may be interested in joining the chamber or new members who needs help navigating all the different program we have to offer
- Refer people to the chamber
- Submit potential members to the membership committee for follow up
- Each ambassador will be assigned new members to contact and mentor

3. Benefits for Ambassadors

- Enhance network within the greater Houston business community
- Opportunities for you to introduce your business to our members and potential members
- Invitation to special events
- Other benefits to come!
