“Ask for what you need, but please need what you ask for.” Every year, Leadership Mecosta facilitates the 5K Race to raise money for programming and scholarships. Part of the money raised at the fundraiser is distributed to participants in the coming year’s class in need of financial support. These scholarships exist to ensure the diversity of each class in sector, gender, ethnicity, and perspective.

SCHOLARSHIP ASSISTANCE MAY BE AVAILABLE TO THOSE WHO CAN DEMONSTRATE A VALID NEED.

This includes leaders who represent: areas of government (city, county or state) or corporations who have limited training budgets; non-profits with limited operational budgets and resources; small business owners or employees committed to community; professional volunteers who work for no income; students and others with special circumstances working within the community. In return, we ask for your honesty in determining your need. Generally, scholarship request far exceed what LM is able to grant. Many scholarship requests will not be met.
