

# 2019 SMCC Spring Festival and Street Fair April 7, 2019

## 9:00am-9:25am CHARLENE'S DANCE N CHEER

Mobile youth performing arts program specializing in dance, cheer, and musical theater instruction. Today, we will have our Poway Community Center cheerleaders and Escondido Community Center dancers performing!

## 9:30am-10:00am THE ORIENTAL GEMS

A dance troupe from North County San Diego dedicated to learning the music and dances of the Middle East. They then share that knowledge by dancing at various public events throughout San Diego and neighboring counties.

## 10:05am-10:25am NEW WEST BALLET

They have been a staple in the San Marcos community for over 30 years. Our goal is to provide high quality ballet training and performance opportunities in a supportive environment.

## 10:30am-11:00am KIRRA IRVINE

Local San Marcos High School sophomore, Kirra Irvine, is a singer/songwriter playing originals and covers on her guitar, ukulele and keyboard.

## 11:15am-12:45pm: ROADOG

This always amazing rock band performs the best of the classics. Performing Musicians include Lead Singer - Rick Pedro, Drums/Vocals - Paul Richards, Guitar - Aaron Meyer, Bass/Vocals Al Spataro [www.ROADOG.tntfilm.com](http://www.ROADOG.tntfilm.com)  
INSTAGRAM = ROADOGBAND

## 1:00am-2:45pm THE LIQUORSMITHS

An Indie rock trio known for dynamic arrangements, intriguing melodies and powerful story-telling lyrics. Sound via their album has been compared to Wilco, Delta Spirit and Neil Young; while their sound live has become improvisational driven, exposing the band's capabilities. [www.TheLiquorsmiths.com](http://www.TheLiquorsmiths.com)

## 3:00pm-5pm: VERTICAL LIMIT

An original rock band from North County San Diego that plays a fun range of music from rock to jazz, with blues/ska influences and some funk. Their band members span a couple generations and their history goes back 20 years of playing music together. The band's close friendship shines through their live performances with chemistry and positive energy. [www.VerticalLimit.band](http://www.VerticalLimit.band)
