10:15am-11:15am ALEX FINAZZO

A high-energy flat picker inspired by the works of Doc Watson, Tony Rice, and Dan Crary. His style makes no apologies for his Bluegrass roots yet has evolved into an eclectic blend of influences rich with heartfelt melodies, impressive technique and a dash of dry wit. www.sixstringpicker.com

11:30am-1:00pm THE LIQUORSMITHS

An Indie rock trio known for dynamic arrangements, intriguing melodies and powerful story-telling lyrics. Sound via their album has been compared to Wilco, Delta Spirit and Neil Young; while their sound live has become improvisational driven, exposing the band's capabilities.
