

## **Member Referral Program**

As a valued member of the Chamber, you can play an active role in helping your Chamber grow its membership base. When you refer businesses to us that become members of the organization you are contributing you are contributing to the vitality of the Chamber and the area business community, a broader base with which our members can network and create productive business relationships, and to the continued success of your colleague's business.

One of the best compliments we can receive is for our members to refer businesses to become members. We want to recognize and thank you for your commitment and support of the Chamber through these referrals. For *each* referral that results in membership, the Chamber will enter your name in a quarterly drawing to receive \$50 in 'Chamber Bucks'. 'Chamber Bucks' can be used to offset any participation/entry fees for Chamber events within one year of receipt. The top referrer of the year will receive one ticket to the next year's Taste of Westerville (2019). The more referrals you provide that become members the more opportunities you have to earn 'Chamber Bucks'.

Please note, referrals must result in a new Chamber membership to be entered in the drawing.
