**Business of the Month**

Garden Source Nursery was named Business of the Month for June by the Chamber. They were nominated because of their devotion to community projects like Portales MainStreet’s Adopt-A-Pot and the Kiwanis Club’s annual flower sale. Curt and Lisa Jaynes operate the business at 700 E. Canadian providing a variety of gardening and nursery supplies as well as outdoor living decor in a fabulous greenhouse space. Ambassadors and board made the presentation.

**Volunteers of the Month**

The Chamber named Bryan Froiland and Justin Riley as Volunteers of the Month for June. The two Cannon Air Force Base volunteers work in building trades in the Air Force and helped the Chamber by rebuilding the mobile stage used for Heritage Days and other events throughout the year. Ambassadors and board members were on hand to present the award.
