Multiply your networking potential! Members looking for a productive networking experience will enjoy the structured format of this program, which gives each participant an opportunity to speak to a receptive audience about his/her company's products and services. The event will begin with informal networking over a hot buffet breakfast. Attendees will then be divided into small groups at assigned tables where everyone will give 2-minute presentations on their companies. Following will be an additional presentation to a second and third group of participants. In addition, everyone will receive a contact list of pre-registered participants. Don't miss this unique opportunity to expand your reach and resources!

Please note that table assignments will **begin promptly at 8:00 a.m.** If you are not there by 7:45 a.m., **your space may be given away** to another participant and you will need to check-in at the "Late Registration Table."
