

AMBASSADOR TEAM

Ambassadors are the “good will” arm of the Chamber. They are a group of professionals, interested in making contacts with new and existing businesses in the community, and networking with loyal Chamber members. Criteria for membership is being able to work on your own to successfully complete the mission. Becoming an Ambassador is one of the best ways to get connected in the Chamber.

Many Ambassadors have found this Club mutually beneficial as you have the opportunity to introduce your business to the people you contact. Calling on new or existing members, as well as attending one monthly meeting, Ribbon Cuttings and Networking @ Nite events during the course of a month is all that is required of the Ambassadors.

The contact and participation has four purposes....

1. provide up to date information on Chamber events
2. encourage them to get involved
3. member feedback
4. introducing your business to them

Meetings are held once a month in the Chamber office. Come and meet this dynamic group of professionals.
