COVID-19 Recovery Edition 31

## Member news & other resources

Reminder: if you were thinking about applying for disaster assistance through the SBA, you can do so again at <https://www.sba.gov/funding-programs/disaster-assistance>, or by contacting your local bank. Applications which were in prior to the first depletion of funds are expected to be handled on a first-come, first-serve basis, but new applications are also now being accepted.

## Restarting Ohio

The infographic is titled "Responsible RestartOhio" and "Guiding Principles". It lists three principles: 1. Protect the health of employees, customers, and their families. 2. Support community efforts to control the spread of the virus. 3. Lead in responsibly getting Ohio back to work. It includes logos for Mike DeWine, Governor of Ohio, and the Ohio Department of Health, along with the website [coronavirus.ohio.gov](http://coronavirus.ohio.gov).

Yesterday, Governor DeWine announced the Responsible RestartOhio plan which aims to protect the health of employees and customers while supporting community efforts to control the spread of COVID-19, and responsibly getting back to work.

**May 1, 2020:** Medically necessary procedures that do not require an overnight stay in a healthcare facility or do not require inpatient hospital admission and minimizes use of personal protective equipment may move forward. This includes regular doctor visits, well-care checks, well-baby visits, out-patient surgeries, imaging procedures, and diagnostic tests. Dental services and veterinary services may also proceed if a safe environment can be established.

**May 4, 2020:** Manufacturing, distribution, and construction businesses may reopen if these businesses can meet mandatory safety requirements for customers and employees. Additionally, general office environments may reopen if they can also meet mandatory safety requirements.

**May 12, 2020:** Consumer, retail and services, may reopen if these businesses can meet mandatory safety requirements for customers and employees.

All businesses must follow general safe business practices as they reopen. Those include requiring face coverings for all employees, and recommending them for clients and customers at all times; conducting daily health assessments or self-evaluations of employees; maintaining good hygiene and social distancing; cleaning and sanitizing workplaces; and limiting capacity to meet social distancing guidelines.

Schools and daycares, dine-in restaurants, beauty businesses, older adult daycare and senior centers, adult day support or vocational rehabilitation services in group settings, entertainment, recreation, and gyms are all ordered to remain closed due to their increased risk of COVID-19 exposure.

Because the danger of COVID-19 still exists, Ohio's Stay at Home order will remain in effect to encourage Ohioans to continue making reasonable, rational decisions about leaving home. Large gatherings of more than 10 people are still prohibited.

More detailed information on the Responsible RestartOhio plan can be found at [www.coronavirus.ohio.gov/ResponsibleRestartOhio](http://www.coronavirus.ohio.gov/ResponsibleRestartOhio).

You can also download from our website the following documents that were previewed during the press conference yesterday:

## Webinars & other opportunities

### Monday Member Benefits 101: SOCA Merchant Processing -- Elavon

The small business community have been hit hard by mandatory closures and safety measures required to slow the spread of the coronavirus (COVID-19). Most businesses were not set up to operate under these conditions. Elavon is not just a credit card processor. We work with merchants in order to set them up with streamlined programs that allow them to run their

business in a variety of different ways. We can provide you with the tools to efficiently operate today under the restricted guidelines as well as into the future when we are back to normal. We invite you to join us and learn how Elavon can have an immediate positive impact in running your business **This webinar will be held on Monday, May 4 at 1 p.m.** Join in from the comfort of your own home to learn more about this program. Participation is limited to 100 so register [HERE](#) now!

**What You Need To Know About COVID-19:** FASTLANE will host Dr. Steven Burdette to discuss the Coronavirus during a webinar on Monday, May 4, at 4 p.m. The webinar will focus on: what we know and what we don't know; how you can best help to protect your employees (and their families) as they return to work; and what we can expect to see in the near (and distant) future. Dr. Burdette is the Professor of Medicine, Wright State University Boonshoft School of Medicine Infectious Diseases Fellowship Director, Medical Director of Infection Prevention at Miami Valley Hospital, and Medical Director of Antimicrobial Stewardship Miami Valley Hospital and Premier Health. You can register for the webinar [HERE](#).

**The Better Business Bureau's WiBN** is taking its Koffee Talk programming virtual. There are two Women in Business Networking Koffee Talks scheduled for May: Friday, May 1 and Friday, May 15.

The Koffee Talks are not geography-specific so attendees can attend one or both. The topic:

Challenge How You See Yourself. There you are, at a work meeting or in front of a client, with an opportunity to share your thoughts and opinions. But you remain silent. It's not the first time this has happened. Why? It's not because you don't know the answer or solution. Yet you remain mute. Lack of confidence you say? Let's talk about how you see yourself and see if we can boost your sense of self.

Elevate Her, Elevate You Discussion Topics: 1. Do you frequently undervalue yourself? a. Note: Most men don't usually do this 2. Do you look at yourself as being different, in a bad way, from other women? a. How so? b. How can you own what makes you different? 3. Just for a day, shift your thoughts and interactions and go about your work as a self-assured woman to be reckoned with – lead boldly, extraordinary a. Notice the opportunities that open as a result and write them down to use as a reminder for those days you feel insecure. You will get the Zoom information when you register with your attendance acknowledgement. For registration information or more information, contact Stefanie Price at [stefanie@bisonandboar.com](mailto:stefanie@bisonandboar.com)

**CURRENT OHIO DATA:** As of Sunday, April 26, there are 16,325 confirmed and probable cases of COVID-19 in Ohio and 753 confirmed and probable COVID-19 deaths. A total of 3,178 people have been hospitalized, including 978 admissions to intensive care units. In-depth data can be accessed by visiting [coronavirus.ohio.gov](https://coronavirus.ohio.gov).

**CURRENT PREBLE COUNTY DATA:** As of Monday, April 27, Preble County Public Health reported a total of 26 cases of COVID-19: 14 confirmed cases, 12 probable cases. 24 cases were reported as having "recovered." There have been 5 COVID-19-related hospitalizations and one confirmed COVID-19-related death.
