PROMOTE. ENGAGE. ADVANCE. LEAD.

Edition 89

Presented by: Reid Health

Help dedicate the new "Inclusive Whirl" Tuesday, Sept. 1, 7:30-9 a.m.

Merry go rounds come in all shapes and sizes, making them the ideal play component for anyone. The traditional merry go rounds you likely can recall from your own childhood have been updated to be inclusive for everyone to enjoy.

The Preble County Board of Developmental Disabilities was able to work with the Ohio Department of Natural Resources on a Capital Improvement Grant which has allowed them to add an "Inclusive Whirl" to the A.S.K. Playground, located adjacent to the Eaton First Church of the Nazarene at 400 Lexington Avenue. Its completion date was Aug. 11. And now, the PCBDD is inviting you to learn more at a special **Business Over Breakfast and Dedication event, Tuesday, Sept. 1, 7:30-9 a.m.**

Preble County DD understands a truly great, inclusive play space provides access, promotes inclusive play between children of all abilities, and allows each individual to play as they choose. The Inclusive Whirl provides ease of access for people of all abilities with its zero-entry design. The whirl surface platform is at ground level with no need for ramps or transfer mechanisms. Inclusive Whirl features bench seating (at transfer height), a large platform surface that exceeds the ADA requirement for turn-around. This is piece of equipment is a nice addition to our "All Inclusive" A.S.K. Playground.

This special dedication breakfast will feature a take-out style breakfast, special speakers, and dedication of the whirl. Social distancing guidelines will be adhered to. Masks are recommended per health mandates.

Please register for this FREE event [HERE](#), to allow appropriate headcount for breakfast and social distancing set up.
