Preble County Recovery Edition 63

Special resource available

HERE is the recently updated U.S. Chamber four-page Guide to PPP Loan Forgiveness. This guide reflects recent substantive changes made by Congress and the administration to the PPP program to provide borrowers with more flexibility. These changes include: extending the time to spend PPP funds from 8 weeks to 24 weeks; lowering the amount that

must be spent on payroll from 75% to 60%; extending the deadline to restore FTEs and payroll from June 30, 2020 to Dec. 31, 2020; and setting the repayment term for loans made after June 4, 2020 at five years.

Don't forget to join us!

TONIGHT at 5 p.m.! Virtual Business After Hours, Wednesday, June 17, via Zoom: Legislative Update with U.S. Congressman Warren Davidson. Join us for a member-only update from Congressman Davidson, and more during this special virtual Business After Hours. Watch for additional details. Register to attend online HERE.

TOMORROW! Virtual Business Over Breakfast, Thursday, June 18, 8:30-9:30 a.m.; In today's uncertain and changing times, do you find yourself confused by the hundreds of executive orders and legal changes surrounding the events of the past weeks? Join fellow members Kathleen McCreary and Wendell Beculheimer to learn what this new landscape might look like and how a LegalShield

business membership can help keep an entire law firm in your pocket as you reopen business and make those necessary new adjustments and changes. Join us for this breakfast-time webinar on Thursday, June 18, at 8:30 am. We look forward to sharing information with you. This virtual event will be held via Zoom. Zoom registration information will be emailed to all registrants prior to the webinar. REGISTER ONLINE HERE.

From the Statehouse

More than 65,000 children a day are expected to take part in Ohio's Summer Food Service Program. With more than 1,500 sites across the state, many of the programs have set up new guidelines for distributing food to kids. Additional information can be found at education.ohio.gov/kidseat or by calling 866-3-HUNGRY.

Governor DeWine released the latest basic reproduction number or R0 (pronounced "R naught") for eight regions of Ohio. The R0 represents the number of people, on average, that a person will spread a disease to. The Centers for Disease Control and Prevention estimate that COVID-19's R0, without interventions, to be 2.5. With Ohio's interventions, the R0 for the state measured at 0.87 on June 7. Ohio is beginning to see the R0 plateau in Region 7 and 8.

Governor DeWine announced additional pop-up testing sites will be available throughout the state this week. Testing is available at the Centerpoint Health Community

Building Institute in Middletown from 10 a.m.-2 p.m.

Governor DeWine announced Ohio will borrow money to meet its unemployment obligation during the COVID-19 pandemic. The state requested \$3.1 billion in

borrowing authority from the U.S. Department of Labor. This is not an unprecedented situation, according to the governor, as Ohio borrowed more than \$3.3 billion during the last recession and joins states such as California and Texas in borrowing money during this crisis.

Governor DeWine announced \$1 million in grant funding to Ohio's local Family and Children First Councils (FCFC). Local FCFC's serve some for Ohio's most vulnerable children and often need services from many different agencies. These grant dollars will help local FCFC's ensure that children can continue to connect with their loved ones and access essential medical services.

Lt. Governor Husted reminded Ohioans to be on alert for individuals who may want to take advantage of them with potential fraudulent cures, work-from-home offers, and messages asking for personal information. He also warned Ohioans of fraudulent unemployment claims. **For resources on how to protect your personal information and protect yourself from fraud, visit coronavirus.ohio.gov or the Ohio Department of Commerce, or the Ohio Department of Insurance websites. If you think you have been a victim of fraud contact the Ohio Attorney General office.**

CURRENT OHIO DATA: As of Tuesday, June 17, there have been 42,010 confirmed and probable cases of COVID-19 reported in Ohio and 2,597 confirmed and probable COVID-19 deaths. A total of 7,007 people have been hospitalized, including 1,784 admissions to intensive care units. In-depth data can be accessed by visiting coronavirus.ohio.gov.

CURRENT PREBLE COUNTY DATA: Preble County Public Health reported yesterday there have been a total of 44 confirmed and probably cases of COVID-19 reported in Preble County. Thirty-eight have reportedly recovered and there has been one death. There were 5 currently active cases reported as of Tuesday.
