Supporting The Greenbriar

Staff and residents of The Greenbriar in Eaton were blessed recently with a delivery of snacks and goodies from local law enforcement officials from the Eaton Police Department and Preble County Sheriff's Department.

There's a simple way you too can provide support! Want to send Greenbriar residents words of encouragement and inspiration? Anyone interested can do so via emails which will

be shared with the residents who have been through this rough time. The residents would love to know the Preble County community is supporting them all the way! Emails can be sent to smcfarland@greenbriarcampus.com.

Solar webinar recording available for viewing

Did you miss this past Tuesday's webinar: "Multi-Billion Dollar Ohio Solar Industry and Its Benefits for Ohio Communities," presented by Chambers for Innovation? You can find the link to the webinar, the Ohio Solar Economic Impact report by Ohio University and all of the PowerPoint slides at: <http://www.chambersforinnovation.com/ohio>. Interested only in viewing the webinar recording? You can find it [HERE](#).

Lean back, take a good, long break if you can...
