Albertus Magnus College has faith in your future.

The COVID-19 pandemic has brought with it a time of uncertainty and concern, not the least being the long-term impact on our economy. As a community we must commit to emerging from the pandemic stronger than before and better prepared to adapt and succeed.

To help our fellow chamber members develop or refresh important skills during this time of crisis, Albertus Magnus College created the **Albertus Chamber Partners Scholarship Program**.

Albertus Magnus College is woven into the fabric of the Connecticut economy; our alumni are found in businesses large and small. We value innovation and collaboration and for years we have partnered with our local chambers of commerce to ensure we develop academic programs that meet the ever changing needs of Connecticut’s businesses. This is our chance to help our partners emerge from this pandemic prepared to lead and thrive in the new normal.

This limited scholarship is offered to new, non-matriculated students who can demonstrate financial hardship as a result of the pandemic, and who are affiliated with one of our chamber of commerce partners (Greater New Haven Chamber of Commerce, Quinnipiac Chamber of Commerce, and Hamden Chamber of Commerce). The scholarship will cover the tuition for one Module 5, online course for qualified candidates. The program is limited to currently listed undergraduate courses and select graduate courses offered during Module 5 (May 26 - July 18, 2020). Candidates must meet all course requirements. Class sizes are limited, as is the scholarship pool. We will make every attempt to serve all applications, but some restrictions will apply.
