

● about **pulse**

PULSE was launched in January 2010 as the Greater New Haven Chamber of Commerce's **group for local young professionals** (ages 21-40).

Membership is made up of young people representing a variety of industries and types of work.

The group, now 500 strong, continues to grow and offers a wide variety of events to engage members.

Attracting and retaining young, energetic professionals is vital to the growth and success of New Haven.

The Chamber is part of a coordinated effort to make New Haven a desirable place to live, work and play for everyone, including young professionals who represent our region's current and future workforce.

PULSE is administered by young pro volunteers and Chamber staff.
