

Nate Berger, KnockMedia

Founder of New Haven-based KnockMedia, Nathan Berger has over 15 years of experience in the digital arena. Nathan has an undergraduate degree from the University of Connecticut and a Masters Degree from Quinnipiac University. A recognized as an innovator in the world of digital user experience, Nathan's visionary leadership and technical ability have attracted high praise and world-class clients in the healthcare, IT, entertainment, consumer goods, insurance, auto and hotel industries.

Nathan's company, KnockMedia, is a digital agency that specializes in creating websites and apps. KnockMedia's yearly growth has been carefully orchestrated and is a product of Nathan's relentless pursuit of success and commitment. In 2014 alone, KnockMedia tripled revenue and full-time hires. In addition to building his company, one of Nathan's lifelong goals has been to teach. Nathan recently launched a very unique User Interface and User Experience (UI/UX) internship program, KNOCK.UNIVERSITY.
