WASTE NOT OC COALITION

Feed the Need

OC Waste Not has been working diligently to raise funds to deliver food and services to seniors and families in need of food and basic essentials in Orange. We would appreciate any assistance you may be able to give. Please go to this [website](#) to make a donation.

Additionally OC Waste not is looking for freezer capacity. As they need freezer space to hold packaged meals for distribution to senior centers, food pantries and families in need. The unfortunate reality is that OC Waste Not has to spoil a carload of food a day in Orange County because they lack cold storage space.

Please contact mike@katellagrill.com if you have space available.

-Mike Ahmari, Sr. Managing Director at All Home Lending and Board Member Orange Chamber of Commerce

We also want to feature your care of the Orange community! Please email your story and a picture by clicking [here](#).
