### Message from Bank of Southern California - Assistance with PPP Loan

Orange Chamber Members,

I'm reaching out to you today as Bank of Southern California would like to extend its services to the Orange Chamber members. Currently, there is still PPP Loan funding available, and as a community bank we are working to help local small businesses who are impacted by COVID-19 with the application process. I am available to assist you with this process.

Thank you, and we hope that we can be of service.

Sincerely,
