## Important updates 6/11

### Message from the Chairman of the Board Al Ricci

**The Chamber is working hard for YOU!**  
The Orange Chamber of Commerce is excited as we move to the re-opening of the Orange Business Community! The Board recognizes and understands the challenges that many of our members are facing due to the COVID-19 closures. Please know that we have been working tirelessly on your behalf. We have collaborated with the City of Orange to get information out to you about two Business Assistance programs that are focused on helping the City of Orange businesses. For more information, go to [www.cityoforange.org](http://www.cityoforange.org) for information or go to [www.orangechamber.com](http://www.orangechamber.com). Our website has been updated with valuable information - from our COVID-19 Business Resources web page to our Support Orange-Shop Orange page, we implemented a successful Drive up, Take out and Save program offering discount coupons to some fantastic eateries. The Orange Chamber is committed to helping local businesses navigate through this unique pandemic journey.

Our Board has come up with some creative ways during this pandemic to help promote businesses, by providing online networking (1st and 3rd Wednesdays at noon), and hosting Facebook live conversations with local elected leaders (4th Tuesdays at 9:00 am). The Chamber is also committed to our community and through our Orange Chamber Cares program we have highlighted our outstanding business partners that have stepped up during this time to help the community. Thank you to those businesses and organizations that have provided meals, supplies, and time to the Orange community in a time of need!

I would like to thank our members for your commitment and partnership; the Orange Chamber is strong because of you. If there are additional ways we can help your business during this time, please contact our Executive Director, Irma Hernandez, at [Irma@orangechamber.com](mailto:Irma@orangechamber.com).

Stay safe as we begin to re-open and get back to business!

### City of Orange Business Relief Grant

So far The City of Orange has received 100 applications and approved a handful of them!

You can still apply for Business Relief Grant which is funded through CARES Act monies provided by Orange County Supervisor Don Wagner. This program offers up to \$25,000 to Orange small businesses that have been adversely affected by COVID-19. Grant funds may be used for payroll, capital, equipment, and operating expenses. The funds will be provided on a first-come first served basis, so apply today!

Find the criteria [here](#).
