

FEATURED MEMBER OF THE WEEK

What's this you ask?

Another promotional opportunity for you and your business from the Chamber of Commerce! We would like to feature a different Member every week in our eNewsletters and through our social media sites. Would you like your business or services showcased free of charge?

How does it work?

On a first come first serve basis, we want to showcase Members in our eNewsletter specifically dedicated to the Featured Member of the Week. This includes your logo and write up about your business, services, products or organization. You may also include a photo of your business, as well, any specials or discounts you want to offer to other Members. Not sure what to include, send us your material and we will do the rest.

Interested in signing up?

Simply fax or email this back to us with your logo. Don't have a scanner, no problem send us your answers in an email and we will do the rest! You may include a few pictures as well, with subject to approval and selection.

How much does it cost?

Nothing! This service is complimentary with all membership levels. Limit 1 publication per member quarterly.

Date: _____
