Additional notes:

*nCourage is a 2-day shadow internship program designed to provide high school students with an opportunity to observe and interact in the daily operation of a business. Students gain perspective on how the workplace operates and offer their own insights to solve real-world problems. The experience motivates students and exposes them to a professional environment, often resulting in a confirmation of their professional interests and a more focused approach to college choice or trade profession and curriculum. nCourage is a partnership with the Weslaco Area Chamber of Commerce, Weslaco Independent School District and the business community. **(DEADLINE FOR SUBMISSION: Wed. Oct. 24, 5 PM)***
