Greater Langley Chamber Board announces title change for top job!

Greater Langley Chamber of Commerce President Jack Nicholson is pleased to announce that the Board of Directors have inferred the title of Chief Executive Officer/CEO on Executive Director Colleen Clark.

“The Greater Langley Chamber of Commerce initiated this title change to reflect the hard work that Colleen has done since joining the organization 3 years ago”, says President Nicholson. “We appreciate her passion and knowledge, when it comes to our Chamber and the Network as a whole”

The title change also reflects the direction that the Chamber is taking as one of the largest Chambers of Commerce/Boards of Trade in BC, with its 1030 + members and volunteers. “We are a business organization and we want that to be reflected throughout our team,” says Nicholson. “We are very proud of the work that has been accomplished since Colleen’s tenure, and we look forward to what is yet to come.’
