19th Legislative Tour of the Rio Grande Valley

For over 40 years The Partnership has been successful in bringing Texas State Legislators from the 181 legislative districts (150 House and 31 Senate) to the Valley, with the main objective being to educate them on the unique assets, opportunities and needs of our region. Furthermore, this provides an opportunity for the local business community to visit with them face-to-face. **Our legislative tours are one of the best ways to participate in our democracy and make your voice heard.**

*As a non-profit organization, we can only do this with your support. Please take the opportunity to review the sponsorship information to learn about how YOU and your organization can become involved in the **19th Legislative Tour of the Valley**, set for January 24-27 in Cameron/Willacy Counties.* Please do not hesitate to contact us for more information regarding the tour and the **direct impact it has had on the Rio Grande Valley**
