REGIONAL MOBILITY AUTHORITIES IN CAMERON AND HIDALGO COUNTIES HELD FIRST JOINT MEETING

March 3, 2014 -The Cameron County Regional Mobility Authority (CCRMA) and the Hidalgo County Regional Mobility Authority (HCRMA) conducted a joint meeting on Monday, March 3, 2014 at the Rio Grande Valley Partnership boardroom in Weslaco. The RMA’s discussed joining forces in hopes to continue to provide transportation infrastructure that will allow drivers to have another option and drive from Cameron County to Hidalgo County and vice versa. This proposed project would also give residents another option to get to South Padre Island.

This was the first joint meeting that the RMA’s had since their creation more than nine years ago.
