Re: Support of CPSC

Dear Heidi:

On behalf of the San Rafael Chamber of Commerce Board of Directors I am writing to voice our support of the efforts of the CPSC mission and the concept of Extended Producer Responsibility. At the meeting of the Board of Directors on August 25, 2011 the Board approved the following motion, "San Rafael Chamber of Commerce shares and endorses the goals of Extended Producer Responsibility. Recognizing that legislation implementing these goals could in specific instances unreasonably burden businesses, we reserve the right to oppose such legislation and to work with CPSC to pursue legislation that promotes and aligns both sustainability practices and the interests of small businesses."

Please feel free to add the San Rafael Chamber of Commerce to your list of endorsing organizations. The San Rafael Chamber currently represents more than 550 businesses with over 11,000 employees. Please let me know if you have any questions.

Sincerely,

Rick Wells
President and CEO
