EMPLOYER PARTICIPATION OPTIONS

The Marin County School to Career Partnership connects educators and employers to ensure that students are better prepared for college, career and life. Below are ways your business can engage with Marin students:

Estimated Employer Time Commitment: Varies by level of supervision required

- Student Internships:** Provide paid or unpaid experiential learning integrating knowledge and theory learned in the classroom with practical application and skills development in a professional environment. Students generally intern for a minimum of 52 hours over six or eight weeks.
- Teacher Externships:** Provide teachers opportunities to spend time in your work environment to learn more about industry trends, skills required to work in the industry.

Estimated Employer Time Commitment: 3-6 hours

- Mentorships:** Offer in-person or online support, guidance, and assistance to students as they explore careers. Mentors can provide career advice, as well as feedback on industry-related school projects.
- Job Shadows:** Provide an opportunity for students to observe, discuss, and participate in daily routines and activities of a particular job.

Estimated Employer Time Commitment: 1-2 hours

- Classroom Guest Speaker:** Visit a classroom to talk to students about a job, business, or industry. Share your personal journey, job duties and responsibilities, as well as the skills and training required for your position.
- Company Tour:** Host a class tour of your facilities and operations highlighting careers within an organization or industry.
- Informational Interview:** Allow a student to interview you about your job, business, or industry, while offering advice and sharing your professional experiences.

All participating employers have access to the resources of the Marin County School to Career Partnership
