

Comcast Corporation

Comcast Corporation is a global media and technology company with two primary businesses, Comcast Cable and NBCUniversal. Comcast Cable is one of the nation's largest video, high-speed internet, mobile phone and landline phone providers to residential customers under the XFINITY brand. It also provides wireless and security and automation services to residential customers under the XFINITY brand.

NBCUniversal operates news, entertainment and sports cable networks, the NBC and Telemundo broadcast networks, television production operations, television station groups, Universal Pictures and Universal Parks and Resorts. Visit www.comcastcorporation.com for more information.

Comcast Business offers Ethernet, Internet, Wi-Fi, Voice, TV and Managed Enterprise Solutions to help organizations of all sizes transform their business. Powered by an advanced network, and backed by 24/7 customer support, Comcast Business is one of the largest contributors to the growth of Comcast Cable. Comcast Business is the nation's largest cable provider to small and mid-size businesses and has emerged as a force in the Enterprise market; recognized over the last two years by leading industry associations as one of the fastest growing providers of Ethernet services. For more information, call 866-429-3085. Follow on Twitter @ComcastBusiness and on other social media networks at <http://business.comcast.com/social>.

The Comcast Foundation was founded by Comcast Corporation in June 1999 to provide charitable support to qualified non-profit organizations. The Foundation has three community investment priorities: digital literacy and related programs, community service and volunteerism and building tomorrow's leaders. Since its inception, the Comcast Foundation has donated more than \$190 million to organizations in the communities nationwide that Comcast serves.

Finally, Internet Essentials from Comcast is the nation's largest and most comprehensive high-speed Internet adoption program for low-income Americans. It provides low-cost high-speed Internet service for \$9.95 a month plus tax; the option to purchase an Internet-ready computer for under \$150; and multiple options to access free digital literacy training in print, online and in person. For more information, or to apply for the program, visit www.InternetEssentials.com or call 1-855-846-8376. Spanish-only speakers should call 1-855-765-6995.

- We are a tech and innovation leader.
- We are a significant employer and have a diverse workforce,
- Our innovations and investments help diverse startups get their idea from a concept to the marketplace.
- We invest in innovative businesses and ideas - and seek out minority entrepreneurs with big ideas.
- Our community involvement is visible and our initiatives move the needle. Internet Essentials and our Comcast Cares Day are great examples of how we make a difference.

Comcast is deeply committed to California, where our 4,000 employees serve 2.6 million customers throughout our service area in the state. Please visit our California blog at <http://california.comcast.com/> to learn more.
