

Comcast Corporation

Comcast Corporation (Nasdaq: CMCSA) is a global media and technology company with three primary businesses: Comcast Cable, NBCUniversal, and Sky.

- **Comcast Cable** is one of the United States' largest video, high-speed internet, and phone providers to residential customers under the Xfinity brand, and also provides these services to businesses. Comcast provides wireless and security and automation services to residential customers under the Xfinity brand. For commercial customers, Comcast Business offers Ethernet, Internet, Wi-Fi, Voice, TV and Managed Enterprise Solutions to help organizations of all sizes transform their business. Powered by an advanced network, and backed by 24/7 customer support, Comcast Business is one of the largest contributors to the growth of Comcast Cable.
- **NBCUniversal** is global and operates news, entertainment and sports cable networks, the NBC and Telemundo broadcast networks, television production operations, television station groups, Universal Pictures, and Universal Parks and Resorts.
- **Sky** is one of Europe's leading media and entertainment companies, connecting customers to a broad range of video content through its pay television services.

Comcast is dedicated to serving California communities by providing access to innovative technology, volunteering time, offering financial support and connecting people in need to high speed internet at home.

Internet Essentials from Comcast is the nation's largest and most comprehensive high-speed Internet adoption program for low-income Americans. It provides low-cost high-speed Internet service for \$9.95 a month plus tax; the option to purchase an Internet-ready computer for under \$150; and multiple options to access free digital literacy training in print, online and in person. For more information, or to apply for the program, visit www.InternetEssentials.com or call 1-855-846-8376. Spanish-only speakers should call 1-855-765-6995.

Comcast is deeply committed to California, where our 4,000 employees serve more than 2.5 million customers throughout our service area in the state. To learn more, please visit our California blog at <http://california.comcast.com/> or follow us on Twitter @ComcastCA.
