Hanson Bridgett is a law firm with more than 165 attorneys in offices throughout San Francisco, San Rafael, Sacramento, the East Bay and Los Angeles. Serving clients since 1958, we are established in California and have earned a national reputation in many of our practice areas. These practice areas include corporate, construction, real estate, environmental & natural resources, health care, estate planning, litigation, government, labor & employment, senior housing and care, sustainable business and impact investing, tax, water law, technology, intellectual property, employee benefits, and more.

Our diverse client list includes large national and global companies as well as many governmental entities, regional businesses and individuals. While our offices are located throughout California, our attorneys frequently work on matters that cross domestic and international borders. To ensure our clients receive flawless service and top-notch legal counsel wherever they may be located, we have forged alliances with firms in national and international legal networks.

Our firm remains driven by a commitment to diversity, charitable giving, pro bono legal work and hands-on service. We are committed to the communities in which we live and work, and we are a dedicated sustainable business and certified B Corp. We feel privileged to have the opportunity to do great work for great clients. With that privilege, we feel there comes a significant responsibility to give back in whatever ways we can. More than 8 million low-income Californians face legal barriers to life necessities. In 2018, we contributed 5,000 pro bono hours and to more than 170 charitable organizations.

In addition, diversity is one of Hanson Bridgett's most important goals—and the firm works proactively to diversify, provide development and advancement opportunities, and create an environment of inclusion. *Law360* ranked Hanson Bridgett #3 for Top Firms for Minority Partners. Additionally, Hanson Bridgett's strong percentages of minority and women attorneys in management positions, and in its partnership, differentiated it from other firms. Since 2010, *Law360* has recognized us as #4 among 100 Best U.S. Law Firms for Women.

Hanson Bridgett is proud to support the San Rafael Chamber of Commerce and continue to invest within the business community of San Rafael and Marin County.
