

MV Transportation

For 40 years, MV Transportation, Inc. (or “MV”) has provided safe, reliable, affordable transportation services to cities, counties, independent municipalities, and other jurisdictional entities, as well as for private corporations, non-profit agencies, and community organizations.

With our corporate headquarters based in Dallas, Texas, MV employs more than 18,000 transit professionals and operates more than 10,000 vehicles daily in more than 120 locations across North America. In addition to our operations in 28 US states and the District of Columbia, MV has operations in two Canadian Provinces, Saudi Arabia, the United Arab Emirates, Qatar and Brazil.

The company’s growth over the past 15 years is a clear indication of our commitment to quality and our progressive approach toward passenger transportation. Focused on the passenger experience, MV connects our passengers to their destinations and connects our operators with their passengers, using state-of-the-art communication tools and techniques.

Our local offices include locations in Novato, Petaluma and Santa Rosa where we service a variety of Municipalities and all modes of transportation ranging from Fixed Route Bus service to Para Transit service. We currently have over 100 employees in these locations and continue to work towards growing our foot print in San Rafael and the Main County.
