

## **Redwood Credit Union**

Redwood Credit Union (RCU) has been providing personal and business banking to the North Bay since 1950. As a financial cooperative, RCU is not-for-profit, which allows them to focus on serving the best interests of their members and community, and helping people succeed.

RCU offers complete financial services, including checking and savings accounts, auto and home loans, credit cards, mobile wallets, business services, commercial and SBA lending, investments and financial planning, and more. RCU also provides competitive insurance through RCU Insurance Services (RCUIS), and new and used auto sales through RCU Auto Services (RCUAS).

With a passion for the communities it serves, RCU donates thousands of hours and millions of dollars each year to benefit nonprofits and other local organizations. Following the 2017 North Bay wildfires, the RCU Community Fund collected more than \$31 million dollars in donations to assist with immediate needs of fire survivors in Sonoma, Napa, Mendocino, and Lake counties.

RCU received the 2017 Heart of Marin award for Corporate Community Service, and they support local education by donating to Schools-Rule Marin for every transaction Marin residents make with their RCU credit or debit cards. RCU is also involved in local economic development efforts to help small businesses grow and thrive.

With over \$4 billion in assets, RCU serves over 302,000 Members, with branch locations throughout the North Bay, plus convenient fee-free ATM access nationwide, and free online and mobile banking.

Redwood Credit Union's three Marin County branches are located at: 695 E. Blithedale Ave. in Mill Valley; 209 Third St. (in the Montecito Center) in San Rafael, and 1010 Grant Avenue in Novato.
