

Redwood Credit Union

Redwood Credit Union (RCU) has been providing personal and business banking to the North Bay since 1950. A not-for-profit financial cooperative, RCU's focus is on serving the best interests of their members and community, and helping people succeed.

RCU offers complete financial services, including checking and savings accounts, auto and home loans, credit cards, mobile wallets, business services, commercial and SBA lending, investments and financial planning, and more. They also provide competitive insurance through RCU Insurance Services (RCUIS), and new and used auto sales through RCU Auto Services (RCUAS).

Committed to helping the communities it serves, RCU donates thousands of hours and millions of dollars each year to local organizations. Following the 2017 North Bay wildfires, the RCU Community Fund collected more than \$32 million dollars in donations to assist the immediate needs of fire survivors in Sonoma, Napa, Mendocino, and Lake counties.

RCU received the 2018 Heart of Marin award for Corporate Community Service, and continues to support local education by donating to Schools-Rule Marin for every transaction Marin residents make with their RCU credit or debit cards. RCU is also involved in local economic development efforts to help small businesses grow and thrive.

With over \$4.4 billion in assets, RCU serves 328,000 Members with branch locations throughout the North Bay, plus convenient fee-free ATM access nationwide, and free online and mobile banking.
