Sterling Bank and Trust, FSB, established in 1984, is an independent, full service community bank. We are known for our competitive deposit rates, expertise in mortgage lending so you can settle in your dream home, commercial loans to get your project off the ground and wealth management to help you manage your assets into retirement. Our customers are valued and trust us to help them handle their banking and financial needs. With \$2.9 billion in assets, we have 24 branches in California and have continued to expand into New York and Washington. We are proud to say that in November 2017, Sterling Bank & Trust, held an initial public offering and is now publicly traded on NASDAQ. We continue to invest our time to give back to our communities.
