

## **Toyota Marin**

At Toyota Marin, we attach tremendous value to serving as generous contributors to the well-being of the community. San Rafael has such diverse richness, extending far beyond material value; we're committed to doing our part to foster that positive and open atmosphere.

Much of our team lives and works here. We enjoy sharing the Toyota emphasis on "Continuous Improvement" as a way to inspire those around us. We are proud to support many noble causes such as Dedication to Special Education, Enriching Lives Through Music, local schools and little leagues, the San Rafael Chamber and other local organizations which help support and improve the quality of life for San Rafael's and Marin County's citizens.

As a family business, we operate at the highest levels of integrity, focused on constant improvement as individuals, co-workers and community members. We extend a sincere "Thank You" to our customers, who continue to reward us with their business and support. Because of that patronage, we're honored to have received many prestigious awards, including the DealerRater Customer Satisfaction Award, the JD Power Dealer of Excellence Award, and Toyota's President's Award for the past 11 years.

Our philosophy is simple:

To provide you a transparent and streamlined process in order to value and respect your time. Whether you're looking for a new or used car, need maintenance, are interested in selling a vehicle, or simply need automotive advice, we're at your service.
